

# Harvest Margarita Spritz

**Serves:** 1

**Prep Time:** 5 min

**Difficulty:** Beginner

## Ingredients:

- 1.5 oz Diamonte Reposado.
- .5 oz orange liqueur
- 1 oz Rieme Blood Orange
- Sparkling Limonade
- 1 oz Lime juice
- Salt for garnish

## Directions:

Using a saucer of water (or lime juice), wet the rim of the glass. In a second saucer of salt, dip the now wet rim in and gently twist the glass, picking up the salt. Next, combine the tequila, orange liqueur, and lime juice in an ice-filled shaker and shake. Strain into the salt-rimmed glass and top with a splash of Rieme Blood Orange Sparkling Limonade. Once December hits, fresh blood orange will be available for garnish!
